

# JIMMY MNOIAN

SR GRAPHIC DESIGNER

## ME

I prefer nostalgia over technology, vinyl over digital, phone calls over text. Art Deco, classic films, 80's movies and New Wave music. I enjoy screen printing, art/music shows, collecting antiques & flea markets.

## EXPERIENCE

### **MONSTER ENERGY**

AUG 2017-PRESENT

*sr graphic design*

Develop numerous marketing programs (logos, point-of-sale, web/social graphics, infographics, presentations, and advertisements) from conceptualization to delivery.
